New Web site for traveling sports fans

December 30, 2009

Hotel occupancy rates (and prices) shoot way up during a big event like the Super Bowl, Olympics or World Cup. One alternative is renting an apartment or house for a few nights. A new Web site — [sportseventrentals.com](#) — helps traveling fans do that. It lists places available at more than 300 major sporting events worldwide. This cute Cape Town guest house (at left) is going for \$100 a night when South Africa hosts next year's World Cup. Property owners can post their digs on the site for a flat fee of \$99 a year.
